 Gentlemen all of the old
 coppers I have are made in
 the Philadelphia Mint. The
 dates of half cents first.
 1828. 1851. 1835. 1804. 1803
 & 1807. The half cents 1804
 1803 & 1807 has liberty
 at top of women's head
 in large letters. And the
 women's head is turn to-
 wards the right I mean
 looking to the right. And
 these three have not got
 any stars on them.

APR 7. 1896

And on the back of them underneath half cent has this on them $\frac{1}{200}$. And the other three has got 13 stars of them. And they have not got $\frac{1}{200}$. Cents next 1818. 1826. 1833. 1822. 1844. 1832. 1800 & 1794. The cent 1800 has liberty in large letters at Top of womens head and her head is looking towards the right and the rest is looking towards the left except the cent 1794. And the cent 1800 has on the other side underneath one cent too.

And it has not got any stars on it. The cent 1794 has liberty at Top in large letters. And the womens face is looking towards the right. And on the back of her head it looks like she has a cap on. And it has not got any stars on it. But on the other side underneath one cent it has too. And around the edge it has one hundred for a dollar. If you say such things please let me know what they are worth. If you do not please
